Welcome to Sacred Heart Church!

To longtime parishioners and newcomers alike, welcome! We're happy to have you here.

If you ever need a sponsor/godparent form or proof of membership, we will be able to provide it as long as you are faithfully attending mass and using your tithing envelopes.

You can register at the rectory, located next door, up the hill on Lawton Avenue, Mon-Fri 9am-4pm. Or you can register online through our website, <https://shchartsdale.com>

Registered members receive tithing envelopes in the mail. If you registered a few years ago and no longer receive them, you may have been removed from the system. Please contact the rectory to re-register.

If you are new, be sure to say hello to our pastor, Father Moon. We look forward to getting to know you as we meet every Sunday! Welcome to the family!

October: Respect Life Month

During the Easter Vigil liturgy, the single flame of the Easter candle shines through the darkness. That small flame spreads as each person's candle is lit and the light of Christ is shared with others. Before we know it, the entire Church is ablaze with the warm glow of candlelight and the darkness has been vanquished.

We are each called by God to be that light of Christ that breaks through the darkness. We are called to be his disciples, continually transformed by our encounter with him and sharing in his mission. Jesus came that we might have *life*.

Part of the impetus for the Eucharistic Revival was a concern that some Catholics do not believe, or at least do not understand, that Jesus is truly present in the Eucharist. Even though our human senses perceive bread and wine, the Eucharist is Jesus—body, blood, soul, and divinity. Similarly, many people do not realize or acknowledge the sanctity of human life when it is hidden in the womb. Both instances call for us to help others recognize these sacred gifts that may not be perceivable through our human senses. We need to help others understand that just because something may not be apparent to our eyes does not mean that it is not there or that it is not important.

We live in a society that rejects those who are weak, fragile, or vulnerable. Yet, it is precisely within these conditions that a person is most in need of our care and protection. Pope Francis reminds us that “every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before he was born, and then just after birth, experienced the world's rejection.”

The U.S. bishops have affirmed that, while it is important to address all the ways in which human life is threatened, “abortion remains our pre-eminent priority as it directly attacks our most vulnerable brothers and sisters, destroying more than a million lives each year in our country alone.”

As Pope St. John Paul II wrote, “we are facing an enormous and dramatic clash between good and evil, death and life, the ‘culture of death’ and the ‘culture of life’. ...we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life.”

In the face of challenges such as abortion and physician-assisted suicide, we may feel that we are not equal to the task of overcoming the darkness. Yet, we are not alone. Jesus tells us, “I am with you always, until the end of the age” (Matthew 28:20).

The God who became man to save us still dwells among us. For Christ is “the light [that] shines in the darkness, and the darkness has not overcome it” (John 1:5). He is the one who overcame death and continually raises us to new life. He remains close to us always, seeking us out in each moment of our lives.

Jesus gave his very flesh to give us the gift of eternal life and invites us to the most profound experience of this gift in our celebration of the Eucharist. When we meet Jesus in the Eucharist, this encounter has the power to change us. The Eucharist has the power to transform the depths of our hearts and the heart of our culture. United to the power of his Eucharistic Presence, may we work to ensure that each person has life—and has it in abundance.

The Holy Rosary

We celebrate the feast of Our Lady of the Rosary on October 7th. It commemorates the victory over the Ottoman fleet in 1571 after Pope Pius V asked the faithful to pray the Rosary for the Catholic naval force. The victory was attributed to Our Lady's intercession. Pope Leo XIII later encouraged the faithful to dedicate the month of October to the Rosary, believing it could strengthen faith and promote a life of virtue.

For a shared mission.

We pray that the Church continue to sustain in all ways a Synodal lifestyle, as a sign of co-responsibility, promoting the participation, the communion and the mission shared among priests, religious and lay people.

Sacred Heart School still has seats available for the new school year. The school serves Pre-K 3 year olds to 8th graders. If you'd like a tour and to speak to someone about the school, please email the principal, Dr. Fruner, at jfruner@shshartsdale.org, or Mr. Rivera at crivera@shshartsdale.org Stop in to see the students, teachers, and staff working with its students!
